ABOUT US

AG Group, founded in 1994, is a prominent manufacturer and supplier of organic essential oils, carrier oils, cosmetics, and allied products. We provide entire product development services, including in-house product formulation, product design, and packaging, through our advanced and innovative production facilities.

A PROMISE BY AG GROUP

In this dynamic world of defining elegance and youthfulness, AG Group challenges the parameters of regular skin care to tackle skin care, hair care, and personal care concerns from the inside out. Our exquisite moisturizing creams, serums, shampoos, treatments, and whole skin care, hair care, and personal care assortment will deliver remarkable effects that you will see and feel instantly. AG Group's dedication to offering premium services has made us the favorite choice of the world's most savvy consumers. We welcome you to experience our promise of inner and outer beauty.

WHY CHOOSE AG?

Our biggest priority is ensuring that every product is market-fit, eco-friendly, and hygienic therefore offering reasonably priced high-quality products. We deliver ethical, effective, genuine products with only benefits and no side effects. To ensure this, our products go through rigorous lab testing, ensuring their purity, safety, and quality before reaching the consumer.
